Continuation of Substance of Interview including description of the general nature of what was discussed: A printer rush query was issued for this case on August 10, 2004, because replacement figures 3A, 3B and 8, submitted on March 17, 2003, were not scanned into the case. Mr. Neimark was asked if he could provide copies of the replacement figures. The figures were received by fax on September 2, 2004. .
